Ed Vos is Lions Xmas Decoration Contest Winner

Lawrence H. Loescher, Lake Villa, 2nd Place Winner

Ed Vos, of Antioch Lumber and Coal Company, carried off first honors in the Christmas lawn decoration contest, sponsored by the Antioch Lions club. Second place money will go to Lawrence H. Loescher, Grand Avenue, Lake Villa, and Walter I. Scott was declared third place winner.

The decorations were judged on Christmas Eve by a committee headed by Ben Burke which included Louis Nielsen, E. Elmer Brook and James Horan.

The committee reports that a great many homes were worthy of honorable mention among them being Cedar Crest Acres, home of Dan S. Boyer, who was judged a close fourth after Walter Scott.

It is believed that the shortage of lighting equipment caused many who would have entered the contest to fail to decorate their places. Many of the "regulars" who were winners in other years were unable to put up their lights on account of the shortage.

Christmas Mail Breaks Records

More Than 10,000 Pieces of Mail Daily Handled

Persons served by the Antioch postoffice received more mail during the 10-day rush season preceding Christmas than during any like period during the history of the local postoffice, according to Roy I. Kufalk, postmaster.

More than 10,000 separate pieces of mail were handled each day during the week preceding Christmas Day. Employees at the office were able to handle the greatly increased volume of mail and parcel post with the exception of Monday when one additional rural mail carrier was on the job, and one rural carrier delivered the last of his mail on Christmas morning.

Postmaster Kufalk and his staff expressed themselves as being highly gratified by the splendid co-operation of patrons of the office in helping to make possible delivery of ten times the normal amount of mail during the holiday season.

Bell Telephone Plans to Extend Mobile Service

The Bell System today announced plans for extensive service trials of mobile radio telephone service along three inter-city highway routes totaling nearly 1,000 miles. The routes are those between Chicago and St. Louis, via Ottawa, Peoria and Springfield, Illinois; between New York, Albany and Buffalo; and between New York and Boston.

When these services are established it will be possible for any suitably-equipped vehicle on the highways along these routes or any boat on adjacent waterways to make and receive calls to or from any telephone connected to lines of the Bell System. Transmitting and receiving stations required to provide the two-way voice communication service will be located along the routes.

Applications for authorization to establish the first station to serve the Chicago-St. Louis route have already been filed with the Federal Communications Commission by the Illinois Bell Telephone Company. It is expected that applications for the other routes will be made soon. However, operation of the new service will not begin until several months after the FCC has authorized construction. This interval is required to permit erection of transmitter-receiver stations and to equip vehicles with radio telephone sets.

TO OUR READERS and FRIENDS ...

The New Year is the traditional season of hope. Hope for a lasting peace. Hope for a speedy reunion with loved ones far distant. Hope for happiness and hope for health.

Each of us has a stake in this harvest of hope. How we reap will depend on how we cultivate the opportunities that lie ahead.

Just as a merchant takes stock at the beginning of a New Year and closes his books on the Old, so we at this season ought to take mental inventory and do some spiritual bookkeeping. The past is good only as its achievements strengthen us for the tasks of the future—only as its mistakes teach us lessons for the improvement of tomorrow.

The road of the past was paved with injustice, discontent and tyranny. We must pave the road of the future with hope, confidence, understanding and neighborliness.

The world is no better or no worse than we ourselves make it. It is the sum of thousands of communities like our own, all added together. We each have responsibilities as individuals and citizens to make it better.

With the coming of 1946 let us resolve to work and live so that peace on earth may be a reality rather than a dream. Then the horrors of battle will not be visited on the next generation and the sons of tomorrow will not have to go forth to war.

The future offers challenging opportunities. Strengthened by our nation's achievements in the past four years, we can meet these opportunities with confidence.

So it is with a spirit of hope, fortified by a feeling of thankfulness that this newspaper asks for every one of you

A Very Happy New Year

News of the Boys in Service

ARMY MEN MAY NOW RE-ENLIST WITHOUT LOSS OF RATING

Men now in the Army who re-enlist before February 1, 1946, will be enlisted in their present grades, according to a release sent out by the Waukegan office, Army Recruiting Board this week.

The new set-up provides that each man who is honorably discharged may re-enlist within 20 days of the date of his discharge, in the grade held at the time of discharge, provided they re-enlist before Feb. 1, 1946.

Enlistment periods are now set at 1½, 2 and 3 years, with a special one-year re-enlistment for veterans with more than 6 months service.

Each man who re-enlists will receive \$50 for each complete year served with the army. Family allowances for the full time of the enlistment and many other worthwhile benefits will be given.

The local recruiting office at 326 N. Genesee St., Waukegan is open five and one-half days weekly.

S/Sgt. John R. White, U. S. M. C., arrived by plane from Parris Island, S. Carolina, Wednesday, to visit his brother-in-law, T/Sgt. Joseph A. De Baets, who is very seriously ill at Great Lakes Naval hospital.

Jack has re-enlisted for 2 more years and expects to go to China in the near future.

Dear Sir: I haven't as yet been placed on your mailing list for the "News" Now that I am no longer stationed close to home, I would appreciate it very much if you would put me down as a recipient of the paper.

There's nothing quite like reading the home town paper and finding out what's going on in good old Antioch. I imagine it seems rather funny to be getting a request this late in the game, but I am scheduled to go overseas as a replacement any day now and I would like to keep posted on the "goings on."

Not being too prolific of a correspondent, I will sign out now. I would like to take this opportunity to wish all of my friends in Antioch the best wishes for a Merry Christmas and a Happy New Year.

Sincerely yours, "Bill" Dow

Mr. and Mrs. Leonard Case entertained as Christmas dinner guests, Mr. and Mrs. Glep Edwards of Waukegan, Mrs. P. E. Chinn and Mr. George Grunow of Antioch.

Tires To Be Off Ration List Jan. 1

All tires will be released from rationing on January 1, Chester Bowles, head of the Office of Price Administration announced this week.

He warned, however, that existing stocks of tires now in the hands of dealers will not be sufficient to supply the demand for many months to come and urged dealers to do everything possible to take care of "hardship cases" and to distribute stocks of tires to a maximum number of motorists.

Dealers were asked, particularly, to avoid selling a complete set of tires to any car owner who could operate his car with one or two new tires for a few months.

Only Sugar Rationed Now

With the release of tires from the ration list Sugar is the only commodity still controlled by the OPA. Bowles stated that Sugar would be unrationed whenever production reaches 11 million pounds per quarter. It is believed that production will be sufficient to enable O. P. A. to lift rationing during the first few months of 1946.

Christmas Shopping Sets New High Mark

Antioch stores report that Christmas gift shopping reached a new high mark last week when shoppers flocked to Antioch to virtually clean out existing supplies of gift merchandise.

Most shoppers realized that good merchandise was scarce and started their shopping early and it was generally believed that the last minute rush usually experienced would not materialize, but shoppers by the hundreds braved the cold weather Saturday to buy what is believed to be that largest amount of goods ever disposed of in one day in Antioch.

Many merchants were doing a brisk business in merchandise certificates for later delivery of goods scheduled for delivery to stores after the first of the year.

For the convenience of shoppers, most Antioch stores were open evenings all during last week.

Added Compensation Given A&P Employees

Additional compensation totaling approximately \$1,500,000 has been distributed to employees of The Great Atlantic and Pacific Tea Company before Christmas, it was announced today by John A. Hartford, president.

All A. & P. employees throughout the country, with six months or more service with the company, participate in the cash distribution. The company's employees were voted similar compensation last year.

Bad Weather Delays Work on Ice Rink

Snow and Rain Bring Stoppage in Program

Snow, sleet and alternate above and sub-zero temperatures have all played a large part in hampering work at the Antioch Township high school athletic field where a Lions club committee is constructing an ice skating rink.

Dr. G. W. Jensen, chairman of the committee in charge of constructing the rink, reports that most of the preliminary work has been done for several weeks and that only the proper weather conditions are holding up completion of the project.

The field has been banked up around the part selected for the rink to a height of 18 to 24 inches, with sand and this has been mixed with ice and snow and frozen into a water-tight levee. Several floodings have been made and a foundation of ice has been frozen. It is believed that the rain and sleet which fell Christmas Day helped to melt the remaining snow which was left after cleaning the ice last week and that the rink can be made ready for use within a few days, weather permitting.

Present plans for the rink include use of the regular lighting system for night skating and removal of snow.

Regal China Employees Enjoy Christmas Party

Pregrenzer's Resort on Grass Lake was the scene of a Christmas party given by Dave Kravitz, proprietor of Regal China Company, on Saturday evening, December 22. Mr. Kravitz was ill and unable to attend, however, a telegram containing his Christmas greeting message to the guests was read.

Pickard Employees Enjoy Christmas Party December 22

H. A. Pickard, President of Pickard, Incorporated, was host to all employees of the plant at a Turkey dinner with all the trimmings at the plant on Saturday afternoon, Dec. 22. Christmas bonus checks and boxes of candy were distributed after the dinner.

Entertainment for the party was furnished by Peter Pickard, son of the president, who baffled the group with many feats of magic. Motion pictures shown by Mrs. Sherwood Platt, graphically showed the manufacture of chinaware from the early stages up to the present highly-skilled methods of manufacture.

Antioch Servicenter Burglarized 2nd Time

The Antioch Servicenter, located at the junction of routes 21 and 173 at the south city limits of Antioch, was broken into and looted for the second time within a few months Sunday evening.

Entrance to the building was gained by breaking a pane of glass in one of the rear windows, the same method that was employed in the previous burglary.

Losses amounted to about \$50, according to Bruno Manzardo, owner of the Servicenter. About \$10 in silver was taken from the cash register, as well as a few inner tubes and other accessories, including new spotlights.

Legion to Sponsor Holiday-Homecoming Party December 29

Servicemen and Veterans To Be Guests at Party

Invitations were mailed out this week for a "Holiday Homecoming" party to be held at the newly decorated Legion home on Ida Avenue.

Servicemen and their guests, as well as members of the armed forces who may be here on furlough are to be guests of the Legion, according to announcement made by John L. L. Horan, chairman of the arrangements committee.

Serving on the committee with Horan are C. L. Heath; Everett Hatfield, Round Lake; Charles Cermak, Jr.; Walter K. Hills; Norman Alward, Round Lake; Carl Nielsen, Round Lake; and James L. Waters. The Legion Auxiliary, co-sponsor of the party has appointed as committee members Mrs. John L. Horan, Mrs. C. L. Heath, Mrs. Ben Miller, Mrs. F. A. Swenson, Mrs. Everett Hatfield.

The committees in charge wish to extend a hearty invitation to all servicemen who may be in the community, as well as all ex-service men, whether or not they are members of the Legion to attend this event. There will be no admission charge or service charge for the party, they add.

Train Carries Car Over Mile; Occupants Both Uninjured

What was afterward described as a "freak accident to end all freak accidents" took place during the early morning hours on Saturday when a car driven by John T. Kvarford of Libertyville caromed off a car driven by Elmer Hoskins, also of Libertyville, crashed through the crossing gate at Roundout on Rt. 176, struck the side of a southbound train and finally wound up on the cowcatcher of another train traveling north.

The car, with Mr. and Mrs. Kvarford still inside was carried for more than a mile on the front of the locomotive and was unseen by the engine crew until Kvarford climbed from the car and signaled the engineer, who stopped the train.

Neither of the occupants of the car were injured other than slight cuts and bruises.

Victory Bond Drive To End December 31

Next Monday, December 31, will be that last day credit for purchases of E, F and G bonds will be given on the current drive, according to Otto S. Klass, local Bond Drive chairman.

Although Antioch township is well over the top with about 120% of the \$80,000 quota already sold, Klass urges that every individual who is able make purchases of bonds before Jan. 1.

Lake 52nd in State

Lake County holds 52nd place in County bond sales of the series "E" according to information furnished by the War Finance Committee of the State of Illinois. A report issued by this committee on December 19, shows that Lake county stands almost exactly half-way down the list of 102 Illinois counties with only 83.7% of quota met.

Local Policemen Receive Surprise Christmas Gifts

Peterson & Thiemann Each Receive \$200 From Business Men

A real surprise was handed to Fred Peterson and "Bill" Thiemann Saturday morning, December 22, when they were asked to help move a piano at Ralph Thompson's tavern and instead were each handed two \$100 bills as a Christmas gift.

The move on the part of local businessmen to show appreciation for the loyal service which has been extended by the two veteran village employees was instigated by Frank Kennedy of the Antioch Oil Station and Merrill Cunningham. They enlisted the aid of several other men to help in contacting all businessmen of the community, and actual work of collecting the money for the gift was handled by Kennedy, Cunningham, Ralph Thompson and Tom Quilty.

In all 83 persons contributed to the fund, and members of the group said that the eagerness with which all persons co-operated was a real tribute to the fine work being done by the policemen. Members of the committee expressed themselves as being sorry that a few Antioch businessmen were not told of the gift, and that failure to do so was caused by the speed in which the plan was carried out.

Village President George B. Bartlett, when contacted today, told newsmen that it was "a wonderful gift—a really fine thing to do" and that "they didn't get any more than they deserved." Bartlett added that both of the men have been village employees for many years and have always performed fine work.

Tuberculosis Seal Sale Behind Quota

Lake County Twice Winner of State Silver Trophy

The 39th annual Christmas Seal Sale of the Lake County Tuberculosis Association is still running behind last year's sale at this date, according to information released Dec. 22nd, 1945, and although a slight upward trend in daily receipts has begun to appear. However, the 24th day of the 1945 sale finds the goal of not much more than half-subscribed.

Immediately after the holidays, follow-up letters will be mailed to those who have not replied to the appeal for Christmas Seal Funds, it was stated by Miss Ophelia L. White, R. N. executive secretary of the association, who believes that many of the seals mailed out are doubtless already in wide use on Christmas packages and cards, and that it remains only for the purchasers to send their contributions into the association offices. Many contributors of the association find it easier to make their gifts following the Holiday Season.

For the past two years the Lake County Association has ranked first throughout Illinois, excepting Cook County, in the annual Seal Sale, for which achievements it was twice awarded the state silver trophy.

Civil Service Seeks Many Office Workers

Uncle Sam has many positions open in government agencies located in Illinois and Wisconsin for those who can operate any one of a variety of business machines, according to announcements being distributed today by the U. S. Civil Service Commission.

Veterans are preferred but civilians—men or women—who can operate bookkeeping machines, addressographs, graphotypes, mimeographs, mutigraphs, or multilith press may earn up to \$1,704 a year with a top of \$1,802 a year for bookkeeping operators. A government work-week is 40 hours.

Application forms may be obtained from Oliver Hughes at Antioch Postoffice, or the regional office of the U. S. Civil Service Commission, 433 W. Van Buren St., Chicago 7, Ill.

'To Men Of Good Will'

In this holy season which marks the advent of the Prince of Peace, let us pause for an earnest moment to try to understand one another—to consider how we may approach a trust in one another, how we may dispel at least a part of the current wave of suspicion.

Might we not, for a change, seek for a glimpse of the good that takes refuge in the heart of man—instead of holding that all men's motives for forever evil?

Perhaps it is because, for so many years, we have told ourselves that other men are monsters—that we have begun to think we must create other monsters to exterminate them.

Let's make a start toward changing that feeling. Let's begin in our hearts to bring out the good there may be in one another.

Let's assume, for the season, that the other fellow is not altogether hard and selfish. Maybe, then, the fresh and bright New Year will justify some of our hopes.

* * *

For the New Year

"The Lid Is Off!" . . . "No Curfew for 'New Year's!'" . . . "Record Crowds & Spending Expected in Nightclubs!!!"

Thus the news from the cliff-dwellers' cities. You would think all the U. S. was going on a hilarious binge.

But the great part—let's say the greatest part—of America will do no such thing. From hundreds of thousands of churches and homes there will rise quiet prayers at the midnight—solemn invocations that the new year be one of peace and bright promise, of brotherhood and of understanding.

Truly 1946 will be a year in which guidance Divine might well be invoked—for the world, for our nation. It is comforting to know, therefore, that in a myriad of old-time "watch parties" it will be sought, in humble consciousness of our human limitations.

And may New Year's Eve be but a beginning. In the days to come whenever the conflicting sides in the industrial disputes, which are the immediate concern of us all, sit down together to try and try again to find the solution, might not there be an opening moment of earnest silence—in the spirit of the New Year's invocation?

Five Bucks a Day Again

Back in the days of 15-ct. beef-steak, and button shoes, a fellow named Henry Ford made national news by paying five dollars a day for factory help.

Today, of course, you can't smell beefsteak for less than six-bits per deep breath, and the only button shoes left are those the Generals are guarding as Army surplus from the Spanish War.

But a fellow named Ford is still making news with five dollars a day as his base. Henry 2nd, grandson of the man who lined up T-formations from coast to coast by way of the model of the same name, has a slightly new twist. He wants the factory help to pay him five dollars a day per man for every day lost due to unauthorized work stoppages and wild-cat strikes.

What a Shock!

He asks this as part of a 31-point program for "management security" and the Ford division of the United Automobile Workers is still rocking from the shock. Who ever heard of a union held financially liable for a breach of contract in this day and age?

The answer is obviously nobody, but it's about time the subject came up and hung around a bit. Crux of the labor-management discord currently hanging a necklace of eight-balls around the throat of total reconversion is labor's unwillingness to assume responsibilities commensurate with its rights. And one of those major responsibilities lies in the guaranteeing of signed contracts.

Lots of Attention

If union presidents can't preserve contractual stipulations against the lunatic fringes of their organizations, Henry suggests that maybe union treasurers can.

Financial penalty for breach of contract is a normal business commonplace. Nothing keeps good business so good as a swat in the wallet for misdemeanors. Maybe a belt or two in the lettuce-pocket might help top union leadership keep a tidier house.

In any case, don't be surprised if Henry 2nd brings it up as a bargaining issue the next time the clauses concerning such union security points as the closed shop and the check-off turn up in the new contract. Grandpap and the boy get a lot of attention when they hold up five dollar bills.

Among college students who are enjoying Christmas vacations with their parents is Kathleen Fields, who is home for a 16-day holiday with her mother, Mrs. Antoinette Fields.

CHANNEL LAKE SCHOOL ENJOYS CHRISTMAS PARTY

A Christmas party for Channel Lake school children, sponsored by Miss Mary Tiffany, music director, and Mrs. Frank Powles and Mrs. Roy Kufalk, teachers, was given Dec. 20 at the school house. Following the program, in which the children took part, Santa Claus came and presented each child with a gift. Ice Cream and cookies were served.

The next meeting of the Channel Lake Community club will be held January 14. All parents are urged to be present.

Misses Mary and Deedie Tiffany were hostesses at a buffet dinner and Christmas party Sunday evening at their home on Tiffany Rd. Those present were Mr. and Mrs. N. E. Sibley and daughter Rosalee of Dayton, O.; Mr. and Mrs. Charles Tiffany and daughters of Waukegan, Misses Bell and Martha Hughes of North Chicago; Homer Tiffany of Chicago, Dr. and Mrs. D. N. Deering, Mr. and Mrs. B. R. Burke and son Robert and Mrs. H. B. Gaston.

Falling Iron
A fall is your iron's greatest hazard, so never set it near the edge of the board or let the cord dangle. Someone may trip on it. A wobbly iron or ironing board may cause a painful burn or dangerous fire.

As another year comes to a close and a New Year dawns we pause for a moment to look backward as well as forward. We are happy in the thought that we have made so many new friends in 1945 and retained so many old ones.

Looking forward to 1946, we pledge anew our determination to give you the best value and service possible.

WE SAY NOW, AS SO OFTEN BEFORE, HAPPY NEW YEAR TO ALL!

he spent most of a Saturday going to town and back in a buggy. We can pretty nearly span the continent in that time now.

The horse and buggy are gone; the rail fence is gone, but human nature is still much the same. In these days, as in those, friendships count in business.

We are proud of our long list of friends on this New Year of 1946—a list that has been growing steadily with the years—and want to express this word of thanks as we send you our New Year greetings.

HAPPY NEW YEAR TO YOU!

Exit 1945... enter 1946! It's but a short trip across that stage—365 days—some long days and some short days, but whether short or long we hope that all will be happy days for you.

Among the happy memories of the past year is that of our pleasant relations with the people of this community. And as we say "Happy New Year" we add a word of sincere thanks for this friendship that has meant so much to us.

Let's continue to work together to make 1946 a year with a proud history!

THE OLD JUDGE SAYS...

STEVE: "How was the hospital dinner, Judge? Sorry I couldn't get there."

OLD JUDGE: "Very interesting, Steve. One of the doctors on the staff read a paper on the research work that is going on at one of the big universities where they are studying chronic alcoholism."

STEVE: "I'd like to have heard that, Judge."

OLD JUDGE: "He pointed out that approximately 95% of the people who drink do so sensibly. Only 5% abuse the privilege oc-

asionally and included in that 5% is the very small number known as alcoholics. Then he quoted a doctor from a famous university who said 'Alcoholics are sick persons and, if treated as such, may be cured.' Alcoholism, he said, is not caused by alcohol but by deep-rooted emotional derailments which can be prevented by education and often cured through modern psychology!"

STEVE: "That's the most sensible approach to the problem I've heard."

LAKE VILLA

Lake Villa Community Church, Methodist, The Rev. Ray Pierson, pastor.
Church school, 10 a. m.
Worship service, 11 a. m.
Young People's Group 7:30 P. M.
A New Year service will be held at the Community church next Sunday morning, at 11 o'clock and the following Sunday, Jan. 6, will be Communion Sunday. Church school as always at 10 o'clock.

The annual Christmas program was put on by the church school classes Sunday evening at the church and was given before large audience. The children had a splendid program. Santa Claus was there to present each child with apples, nuts and candy and it was a happy occasion.

On Friday evening, Dec. 28 the monthly family pot luck supper will be held at the church dining room, and you are invited to bring something for the supper and enjoy it with your neighbors and also to enjoy the program which will follow. Pictures of South America, taken by Mr. and Mrs. Brown (nee Trudie Lynn) during their two or three years residence there, will be shown and will be very interesting.

Mrs. Grace Stultz of Pittsburgh came last week to spend a few days with her daughter, Mrs. Rowland Pierson, at the parsonage.

Mr. and Mrs. George Mitchell and Mrs. Harriet Mitchell of Chicago,

came to spend Christmas with Mrs. Mitchell's sister, Mrs. William Weber and family and Mrs. Florence Kerr Sunday. Other guests of the Webers' on Christmas Day were Mr. and Mrs. James Connell, Mr. and Mrs. Roy Hussey, Mr. and Mrs. Earl Caldwell, Mrs. Val Weber and mother.

Miss Sue Weber, a student at Kemper Hall, Kenosha, came home last week to be with her parents, Mr. and Mrs. William Weber, until after New Years.

Cecil Anderson, who has been overseas with the armed forces for many months, came home last Sunday to be with his wife, Grace.

Mrs. Arthur Haley was called to Chicago last week by the sudden death of her sister.

Mrs. C. N. Dunbar of Petite Lake Highlands was in Chicago last Wednesday to meet her daughter and children, who had come from their home in Boston, to spend the holidays with her parents here.

Mr. and Mrs. Ray Kerr left Sunday for Kewanee, Ill., to be with Mrs. Kerr's sister, Mrs. Simpson and daughters.

Mr. and Mrs. Ben Cribb had as guests last Sunday Mr. and Mrs. B. Olson, Chicago; John and Frank Cribb, Mrs. Jeanne Mack and son besides other relatives from Chicago. John Cribb has recently received his honorable discharge from the army.

The Woman's Society of Christian Service held a very enjoyable business meeting and Christmas party at the Village hall last Thursday afternoon. Following the business meeting

Christmas carols were sung and Mrs. Avery, Sr., gave an appropriate Christmas reading. The president, Mrs. Marie Hamlin had arranged a beautiful table, decorated for Christmas, from which refreshments of Christmas cookies and fruit salad with wafers were served and Mrs. Edna Cable and Mrs. Florence Caldwell presided at the coffee urns. Those present exchanged gifts and greetings for a happy holiday season.

Mrs. Jeanne Mack and Ronnie, Frank and John Cribb were guests of the Harold Cribb family in Waukegan on Christmas Day.

Charles Jarvis, former well known proprietor of the Jarvis hotel, now operated by Father Basel as a home for elderly people passed away Friday night at Victory Memorial hospital after an illness of a month, at the age of 78. Mrs. Jarvis passed away several years ago and the family consisting of Mr. Jarvis, his daughter, Mrs. Elizabeth Schoknecht, her husband and son Jerry has since lived in Waukegan. Funeral services were held at Immaculate Conception church in Waukegan Monday morning and burial was at Libertyville.

NEW YEAR

NEW YEAR 1946 will put on his show at the midnight hour, as always in the past. As the show-boat disappears round the bend in the river and we get back into the old routine we hope for you that there was more to it than the fleeting joys of the New Year holiday, that "something has been added"—something of permanent stature—and that 1946 will really make a big difference to you.

The law* now says—

YOU CAN'T DRIVE
YOUR CAR

IF you should have an accident and lack the money or insurance to cover possible claims that may follow. Here's how this new law works:

If you have an automobile accident which kills or injures any other person or causes over \$50 property damage, you must—within 60 days—do one of these things:

1. Show you have Automobile Insurance that covers the accident, or
2. Prove that you have arranged to pay any resulting claims against you, or have been cleared of liability for such claims, or
3. Put up cash or other securities, as required by state authorities, sufficient to cover possible claims, up to as much as \$10,000 for death or injury cases; and \$1,000 for property damage.

Unless these requirements are met promptly, your license will be suspended and you will be forbidden to use any car in this state.

Your best bet is Hartford Insurance

Hartford's Automobile Liability and Property Damage insurance is tailor-made to fit this new law.

In case of accident, a Hartford policy will give you double protection. It helps you to retain your right to drive. And it will pay—up to its limits—any claims or judgments awarded against you.

If you lose the right to drive your car, it may be a serious inconvenience. If a court judgment strips you of your home and security, it's a catastrophe.

For your own protection, the security of your family and to safeguard your driving rights, act now to get Hartford Automobile Liability and Property Damage insurance. The value is great—the cost reasonable. Here are the rates!

The Great World conflict, has come to an end and a spiritually exalted and peace loving people are happy in the home-coming of the brave soldiers of democracy.

Gallant have been their deeds in battle; nobler still will be their achievements in the peace; their courage will ever be an inspiration to the whole world and their victory an assurance that liberty shall not perish from the earth.

With renewed faith and confidence, we share with our returning here the blessings of home and happiness, and in the spirit of "Peace on Earth, Good Will to Men." We extend to you a happy holiday season.
